WOOLDRIDGE

### Departmental Major Requirements

The Department of Home Economics awards the Bachelor of Arts or Bachelor of Science degree upon successful completion of a four-year curriculum of 26 semester hours as prescribed on pages 56-57 under the College of Liberal Arts. Courses HEC 230 and 433† are required. Six hours of the home economics courses listed on page 56 and not within the major area of specialization may be applied to fulfill the liberal arts General Studies requirements.

### Bachelor of Arts Degree Curriculum

**Home Economics** Consists of 45 semester hours of credit of which 30 are in home economics and 15 in related fields; 20 semester hours of credit must be in home economics upper division. The specific courses will be determined by the student in consultation with the advisor, depending on the area of specialization. See Degree Requirements, pages 56-58.

### Bachelor of Science Degree Curriculum

**Home Economics** Consists of 50 semester hours of credit of which at least 20 must be in upper division home economics courses. The specific courses will be determined by the student in consultation with the advisor, depending on the area of specialization. (See Degree Requirements, pages 56-58.)

For either the B.A. or B.S. degree, students must select one of the following areas of concentration.

Family Studies, Child Development,  
Human Nutrition/Dietetics,  
General Home Economics,  
Home Economics Education,  
Home Economics in Business with an option in one of the following: Child Development, Decorative Arts, Food and Equipment, Textiles and Clothing.

When field experience is included in the curriculum to complete requirements for graduation, students should register for HEC 451 Field Experience, identifying it with the area of specialization.

American Dietetic Association requirements consist of 68 hours of approved courses leading to an internship. See chart of department for further information.

### Departmental Major Teaching Field Requirements

#### Bachelor of Arts in Education Degree

**Home Economics** Consists of 36 semester hours of credit in home economics. Major courses required are: TXC 123; FON 141, 142; CDE 232†; PGS 100; SOC 101, CDE 337†, FAS 331†, 357†, HLC 451†; HEE 461†, 480, 481†. Select two from HFE 153, DEH 22, 373†. General Studies courses required: DEH 172, FAS 354, CHM 10 or 3†, a mathematics course, an American history course, and a course in Arizona.

Constitution and American national government. Remaining credits to meet major requirements are selected in consultation with major advisor.

### Center for Family Studies

The Center for Family Studies is an educational, research and service agency of the University within the College of Liberal Arts and administratively related to the Department of Home Economics. The Child Development Laboratory is an integral part of the Center. The purpose of the Center is to coordinate and develop academic and community programs which foster the understanding of family life from an interdisciplinary point of view. Policies and programs of the Center are guided by an interdepartmental advisory committee.

### Departmental Graduate Programs

The Department of Home Economics offers programs leading to the degree of Master of Science. Consult the *Graduate Catalog* for requirements.

### CHILD DEVELOPMENT

#### CDE 232 Child Development. 3 F S

Development from conception through later childhood. Significance of family membership. Recognition of individuality within the universal pattern of human development. Guided observations. Prerequisites: PGS 100, SOC 101.

#### 337 Nursery School Education I. 3 F S

Discussion and application of methods for guiding young children in activities related to learning experiences. Observation and participation in the Child Development Laboratory. Prerequisite: CDE 232†. Two lectures, 3 hours laboratory. May include field trips.

#### 338 Nursery School Education II. 4 F S

Extensive participation in the Child Development Laboratory, emphasis on program implementation and guidance of the child's behavior. Prerequisite: CDE 337† or equivalent. Application required prior to registration. One lecture, 3 hours laboratory per credit. May include field trips.
